On September 16, 2021, the Governor signed AB 361, which amended certain provisions of the Ralph M. Brown Act (Brown Act) in order to allow for local legislative bodies to conduct their meetings remotely via telephonically or by other electronic means under specified circumstances. Thus, pursuant to Government Code section 54953(e), the Coastside Design Review Committee meeting will be conducted via remote conferencing.

Decision rulings for a project are appealable to the Planning Commission. Appeals must be filed no later than ten (10) business days following the decision at the San Mateo County Planning Counter (address listed above). If the Planning Counter is still closed during the appeal period due to the COVID-19 emergency, please complete the applicable forms and forward them to the project planner.
