Jane asked those present to bring a count of the trainings and parent meetings they conduct each month; this will be helpful in completing a report required by OCAP. She also announced that the December meeting will be held at One Davis Dr. Belmont, in the Montara Room.

Jane also mentioned that pursuant to the desires of the CAPC she had scheduled presentations on Trauma, the Keller Center and other topics the group had expressed an interest in hearing about. She encouraged members to spread the word about these meetings so the presenters will reach the widest possible audience.

Erica Britton from the Office of Diversity and Equity spoke about Cultural Humility, its origins, definition and application. She also gave an overview of the programs offered by the ODE, including the Health Equity Initiative, Community Empowerment, the Parent Project and Health Ambassadors. This presentation was an abbreviated version of a longer one that is offered to all agencies in the County. It was an informative talk and Erica is an engaging speaker; this was a great introduction to the topic.

**Cindy Marroquin from Rape Trauma Services will be the speaker at the October 21<sup>st</sup> meeting. She will talk about trauma and how to help survivors recover.**

Follow-Up:

Jane will send notes of the meeting to entire mailing list.

Erica will send Jane both of her PowerPoints and contact information and Jane will distribute all of it to the CAPC list when received.

The membership will give some thought to whether to cancel the December meeting since it is so close to the holidays.
