Subject: Follow-Up Questions from March 11, 2020

Hi Jack,

I have this as you sent this along to me on March 10, 2020. We just need a response to the follow-up questions sent on March 11th, as pasted below. Thanks!

Subject: RE: Highland Estates Draft Operations and Schedule for Rough Grading and Slope Reconstruction Lots 5-8

Hi Jack,

Thanks for this information re: the Grading modification for Lots 5-8. I have some follow-up questions:

1. Are vendors counted in the 6 personnel, including the ones running the off and on street equipment? If not, please include an estimate of vendor personnel and their trips per day.
2. Noel said he would use smaller trucks. I need confirmation from Noel that this reflects his equipment list and personnel list
3. What is the average length of on-road vehicle trips (in miles) for workers and vendors?
4. What is the length of the haul route in miles?

Once I get these numbers, I can pass this along to the CEQA consultant.

Thanks!

Camille,

BKF has prepared the grading and truck hauling information relative to lots 5 thru 8 that you have requested and I am forwarding to you for your use.

Cordially,

Jack Chamberlain
