I have requested the May 17 letter from the sender, but have not received it. In the meantime, please work on responding to these two letters.

Thanks

Good afternoon Camille,

I am working with Ron Moseman at Cornerstone, towards what I hope is a resolution to the hold-up in a response to your request. To that end, one of the problems is that the Cornerstone server rejected your message which had the letters for which you wanted a reply (from the Highlands neighbors and their counsel), and you were looking for the May 17, 2012 letter to add to that stack.

Could I ask you to send Ron (and all of us) a Dropbox for whatever sites the County uses to transmit large documents) with all of the documents you wish for Cornerstone to issue a response or comment, so it is all in one place?

I thank you.

Rich
